

## Programme

### Members note new times new frequency to meeting schedule

Members meet on Thursday afternoons from **1:30pm-4.30pm** during the autumn, winter and spring months **twice monthly** at Allithwaite Community Centre, Quarry Lane, Allithwaite, Grange-over-Sands, LA11 7QJ. During the summer months we have a programme of outdoor meetings.

### 2020 Exhibition Topic = Chicken/s (*Something New for 2020*)

Each member is allowed to enter a single picture into the **new** topic section to be displayed on stands in the centre of the exhibition. No hanging fee for this picture and if sold the member pays half of the normal commission. The topic will be a popular, saleable subject and will be announced at or just after the previous year's Exhibition giving members virtually a full year to work on their entry.

#### On-going Project (new in 2019)

Throughout the year we will be inviting all members to work on an on-going project to be led by a member of the society. There will be 15 minutes at the end of each session for the member to introduce the ideas, receive and give updates, co-ordinate activities, etc.. In-brief the aim is to produce a society project on a local theme. One thought is that it would be great to have something available for display at the Summer Exhibition.
